

PLEASE READ CAREFULLY: Covid 19 Risk Assessment.

I am still operating with Covid restrictions. The studio is my home and I can't take the risk of 'touch areas' being affected. This also protects you from passing the infection on to other clients.

Because of this there are no toilet or washing facilities.

IMPORTANT: If you have any flu or cold like symptoms please cancel your session and rebook.

Please arrive for your session 10 mins early. Only one person allowed in the studio at anytime (unless accompanying a child) so please do not bring a friend or relation. There are no indoor waiting areas. Please drive to the session if at all possible. Parking is available and is free.

There will be no tea or coffee so please bring whatever refreshment you want with you.

I have daylight studio outside in the garden. The changing area is annexed to the house and though warm and dry it is quite small. There is space to touch up make up, please bring your own hairdryer and curlers if necessary. Boys can shave using an electric razor. Please bring a towel to collect the debris. There are no ironing facilities.

The session will last no more than 1 hr but that is ample time for three changes of clothes.

Having said all this please come prepared, enjoy your session and let's create some great headshots.
